Regulation for Pool Matches

First by greater number of matches won.

If two players still equal, then by the result between the players.

If three players or more have won the same number of matches, then by greater positive difference between games won and lost.

If two players still equal, then by the result between the two players.

If three players or more still equal, then by greater positive difference between points won and lost.

If two players still equal, then by the result between the two players.

Finally, if more than two players still equal, then decision by the selection committee.
